

Light on? Check Engine

It could be something as simple as a loose gas cap or as complicated and serious as a faulty catalytic converter – whatever it means, do not ignore the warning light.

**AutoWorks will conduct a code scan for
FREE**

**We will provide a report of all the codes
and explain what they mean**

This service applies to most vehicles and is not a substitute for vehicle diagnostics. Identifying the problem may require additional diagnosis for which there may be a charge. This service applies to most vehicles. Not to be combined with another offer. No cash value and must be presented at the time of service. Limit one per person. Other restrictions may apply.
